Volunteer Categories *(Check all that interest you)*

- Cat Kennels**~ As a Petco Adoption Partner and due to our partnership with Pet Valu, we are able to showcase adoptable kitties at these retail stores. It is our responsibility to care for the cats housed at these locations and we rely on our volunteer force to get the job done. Volunteers clean the kennels and provide food and water for the cats every day of the week. It takes between 1 and 2 hours to clean the kennels each morning.
- Adoption Events/Pet Transport** ~ Volunteers showcase our adoptable pets off-site. Volunteers transport and show animals outside of the traditional shelter environment. Most of these events happen on the weekends.
- Special Events (Non-Animal)** ~ Volunteers set up booths, share SPCA information and encourage public support.
- Donation Pick UP** ~ Volunteers visit our local business partners to collect donations and deliver them to the shelter.
- Thrift Store** ~ Volunteers accept and sort donations, assist with store maintenance and customer service.

I attest that the information presented to the SPCA on this volunteer application is true and accurate.
