The SPCA of Winchester, Frederick and Clarke Counties

is a private, non-profit (501c3) organization and not part of the ASPCA, HSUS, or AHA. The SPCA relies on the generosity of animal lovers to ensure financial resources are readily available to continue to operate as a no kill facility.

Friends of the SPCA was formed to recognize people, who through their generous financial support, are special friends to the animals in care of the SPCA. These friends help to establish an exemplary pattern of annual giving. Join the cause today, become a friend of the SPCA, and you will save the lives of adoptable animals.

On behalf of the SPCA of Winchester, Frederick and Clarke Counties, I want to sincerely thank you in advance for your support. Should you need additional information, please email me at director@winchesterspca.org or call (540) 662-8616.
