The SPCA of Winchester, Frederick and Clarke Counties will strive to strengthen the human-animal bond and safeguard animals in transition.

### Guiding Principles

- Practice compassion for animal caregivers.
- Be a progressive community-based animal intervention and education center.
- Be an interactive center employing non-traditional means to involve the community.
- Have appropriately certified veterinary staff to care for our animals.

### Program Goals

1. Continue to provide safe temporary shelter for animals in transition and maintain the distinction of being a no kill facility.
2. Develop and maintain lifesaving programs to increase the SPCA's impact on the community.
3. Develop and maintain programs to monitor and improve the SPCA's customer service provision and community perception.
4. Develop and maintain policies that reflect best practices in both human resources and animal shelter operating procedures.
5. Develop and maintain a financial plan that ensures resources are available to support the mission, vision, guiding principles and program goals of the SPCA.
