

Dear Local Business Owner,

Your business can provide significant support to the SPCA of Winchester, Frederick, and Clarke Counties by hosting a donation bank. Donation banks are provided by the SPCA at no cost to the business. A representative will stop by regularly to collect the funds. Hosting a donation bank is an easy way to engage your customers in a fundraising effort for a worthwhile local charity. 100% of the proceeds benefit homeless animals in your community. For more information on SPCA donation banks, contact your representative at the number listed on the bank or call Lavenda Denney, SPCA Executive Director at 540-662-8616 Ext 406. **We thank you for your consideration.**
